Surf City to Lift Short-Term Rental Restriction May 8, 2020 at 5pm

Surf City, NC – Effective Friday, May 8th at 5pm, the Short-Term Rental restrictions will be rescinded. The decision was made in conjunction with the Governor's announcement to move towards Phase 1 of reopening to ease certain COVID-19 restrictions to help revive the economy while protecting public health.

Although Short Term Rentals will be allowed, individuals should practice the Stay at Home Order which is still in effect from Governor Cooper and the State of North Carolina. At this time, additional recommendations to promote social distancing and reduce transmission and other COVID-19 mitigation measures at any Short-Term Rentals are requested. Rental tenants should bring their own face covering as they will be required to be used inside areas where the public is invited, this will be effective Friday, May 8th at 5pm. Rental landlords should follow CDC guidelines on cleaning rental units including using an EPA-approved disinfectant for COVID-19 between rentals.

To reduce the burden on our already stressed local supplies, we're asking that rental landlords also communicate to their tenants to urge them to bring their own items including sanitizer and paper products, as certain items may not be available.

We would like to thank everyone for their continued support and understanding during this time. Please stay updated by visiting www.surfcitync.gov.
